

NOMINATE FOR RECOGNITION

We know that there are persons in our parish who are involved in many aspects of Church life, giving their time and energy to helping out where they can. We also know that there are persons, who when they were able, were very involved in years gone by. We know that some of these persons continue to be involved in some way. While it may be said that we do what we can for the Church and for the building up of God's kingdom, and do not do it for reward, we feel that it is important to recognize and thank persons who have been very generous with their time and talent. We would like you to nominate a person or persons you feel should be recognized either for their participation now or over the years. Below is a nomination form you can use. You can place this form in an envelope and drop it in the Sunday collection basket.
